Friday 29th May 2020, 11am

Zoom Details: <https://aut.zoom.us/j/94288164552>

Engaging with uncertainty and complexity: A secondary analysis of primary care responses to intimate partner violence

Bio: Dr Claire Gear has been involved in research seeking to improve the health system response to violence within families and whānau over the last decade. She recently completed her PhD which explored what affects sustainable responses to intimate partner violence within primary care settings. Claire is currently a Research Officer in the Centre for Interdisciplinary Trauma Research at AUT University. She lives in Tauranga and volunteers as a collective board member at Tauranga Women's Refuge.
